I came to High Point College last fall with a strong feeling that this was a very fine center of learning, and that the College's best days were still ahead of it, not behind it. I believe this today more than I did when I came.

High Point College is strong today because of some special factors in its makeup. One is friendliness, another is dedication to teaching, another is fierce determination to underscore freedom of thought and expression. Still another is the emphasis on matters of a spiritual nature; the student minds of enquiry do not go unanswered. I respect this fine heritage and with you hope to build on it.

High Point College is special. We have seen developed between students, faculty, and staff a renewed sense of optimism, coherence and collegiality. This, after all, is probably the most precious commodity an educational center has, because this is the only way we can ensure quality. Making a college a community "polis" ought to be the goal of every college.

High Point College is a superb center of learning. You have helped make it so. As a freshman president, I thank you for a grand year.

Hidden under a
blanket of snow, High
Point College stands in
silence.

Dorms, much more than a physical building . . . They act as an important part of the social organization at High Point College. Many strong and lasting relationships are formed through dorm life.

Opportunity is only one of the amazing facets to be found out-of-class.

And if the group or activity doesn't exist one can count on dedicated High Point College students to create it.

March 1

Hugh Gelston tips off against
Lenoir-Rhyne College.

Jim Hoffman and Hugh Gelston crash
the boards as they watch the
panthers shot fall through the hoop.

Hard work and patience is the key to Panthers' success.

Coach Jerry Steele feels the key to success for this year's men's basketball team is how the inexperience in key positions effects the team.

The backcourt was hurt the most by the graduation of starters John Hamilton and Danny Murphy. Mike Miller, a junior, will probably start at point guard. Coach Steele hopes Mike can make the adjustments and mature as a starter. Freshmen Tony Bolden, Willie Walker, and Chris Windlan will fight for the other guard position.

The frontline will be headed by the only returning starter and senior Jim Hoffman. Jeff Allen, a sophomore, returns after sitting out a season, and will be a key to the frontline. Hugh Gelston, a junior, hurt in pre-season showed before being sidelined at the end of last season that he could be a vital part of the Panthers line-up.

Coach Steele hopes that the talent will take over and out shine the inexperience and by the Conference Tournament the team will be hitting its peak.

Tony Bolden takes a baseline jumper as Jeff Allen gains position under the boards.

Lady Panthers look forward to upcoming season.

First year coach Debbie Trogden has a strong nucleus with four returning starters from last year's 15-14 team. Lost to graduation was All-Conference and All-District 26 point guard Susie Ramirez.

Leading scorer and rebounder Angie Green, a junior, will lead the Panthers this year. Sophomores Anne Meyers and Anita Staton along with senior Lisa Jones

are the other three returning starters. Two freshman will be counted on to fill in at the vacant point guard position. Penney Sellers and Susan Poole are the freshman that will compete for point guard spot.

Coach Trogden hopes that with this strong nucleus and new talent that the Lady Panthers can be a conference contender.

Coach Woody Gibson feels that if this year's soccer team can play good defense and fill the gaps of two All-American defenders, Bobby Rapp and Angelo Stewart, they should have a successful season.

The Panthers finished

fourth in the nation in scoring last year. Gibson hopes this year's team can have the same offensive punch. Key players such as goal keeper Sal Schiavone, and defenders, Stu Shilling, and Phil Valente, should play a key role in leadership for the team.

Despite inexperience, Panthers Play Tough

Coach Kitty Steele feels this year's field hockey team will be successful. Even though they are starting five young and inexperienced freshmen.

Carol Ann Williams and Shari Campbell, both seniors who attended the national tournament last year, will lead the Panthers in their drive to a successful season. Other key players will be senior, Colleen Farrell and freshman goalie, Diana Del Rossi. Steele feels with a year of collegiate level experience Rossi will turn into a fine goalkeeper.

The Panthers will host the Southeast Tournament on November 15, 16, and 17th.

Shari Campbell hits the ball upfield.

Game! Set! Match!

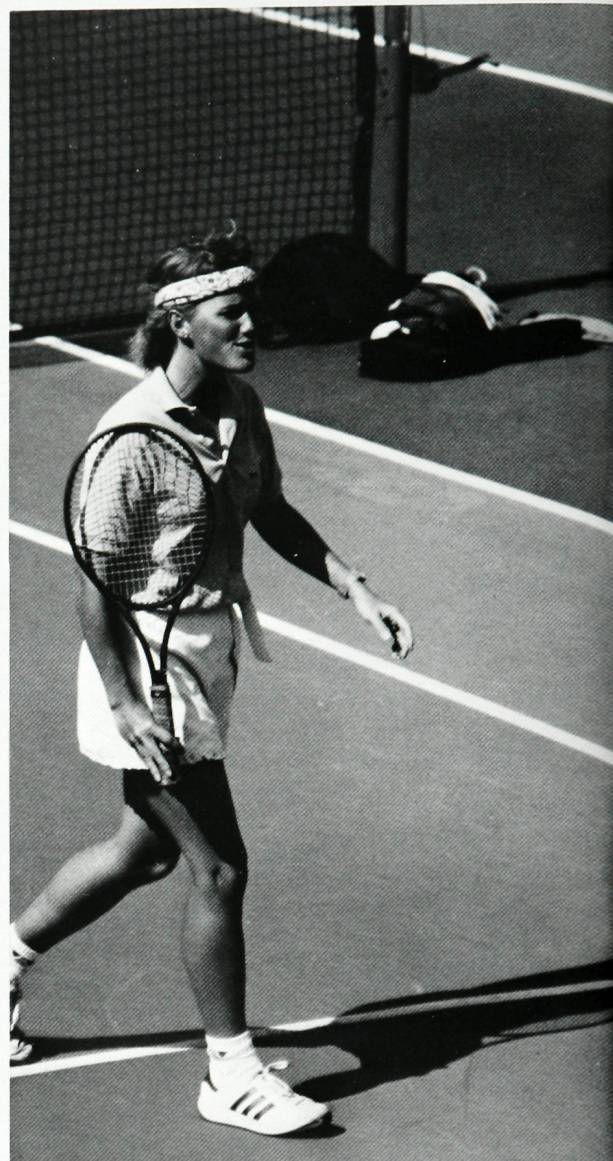

Coach Kitty Steele hopes this year's womens team will improve rapidly as they compete in more match play.

Kim Lewers and Donna Reynolds will be leading the young team as the spring season starts.

Coach Steele hopes that the fall season will provide the lady Panthers time to improve and add a few players who were injured.

Kim Lewers has confidence going into this year's season.

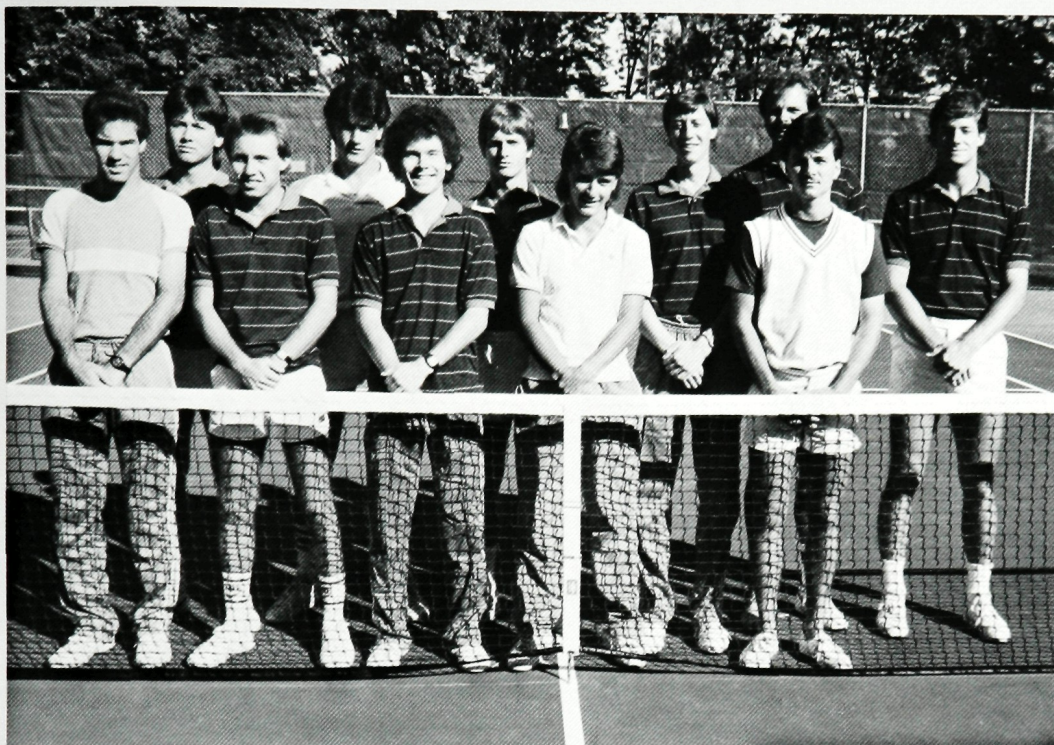

Donna Reynolds collects her thoughts in a tough match.

Team Members: John Aybar, Michael Blackburn, Mike Bridger, Kieth Brown, Gary Clark, Tom Conrod, Randy Foster, Joey Fuqua, Brian Humphreys, Todd Polin, Alan Watts.

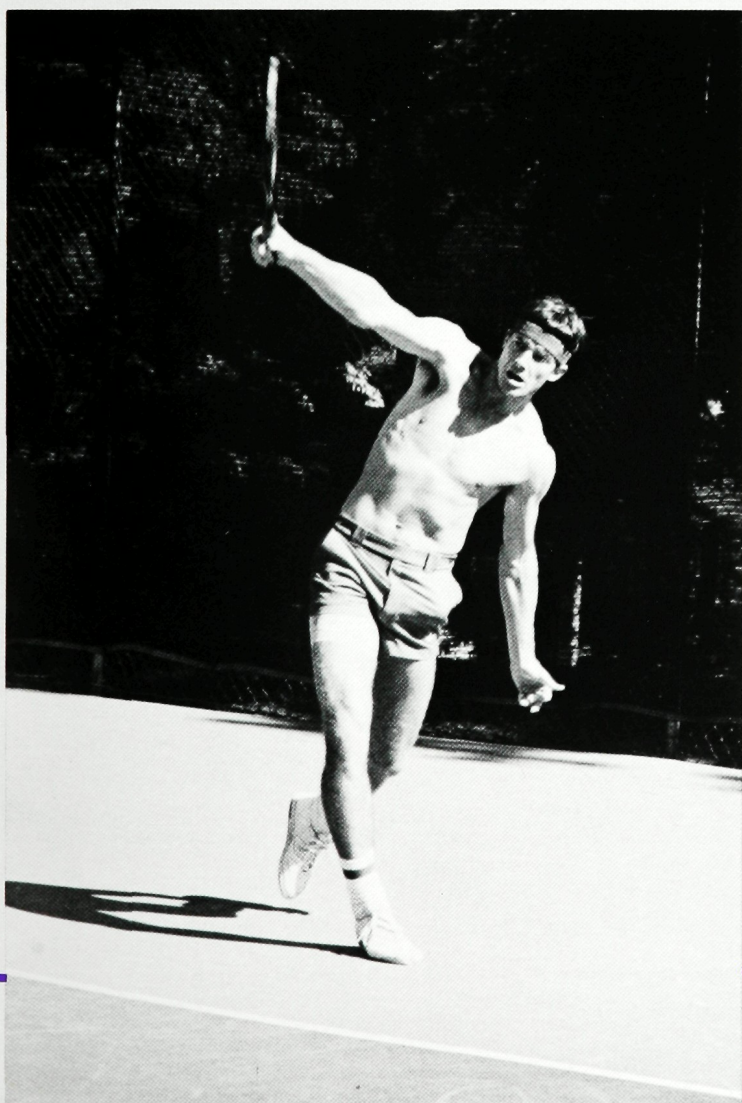

Todd Polin hits the ball right on target.

Advantage-Panthers

Coach Ed Ray believes that hard work and determination will make the Panthers a conference contender. Joey Fuqua will lead the Panthers to their 1985-86 season. Transfer Brian Humphreys will help fill

the gap left by last year's seniors Pekka Makela and Sami Narhi. Todd Polin will also be a key player in the Panthers lineup. Atlantic Christian and Guilford College will be the Panthers main competitors for the conference crown.

Joey Fuqua shows his power and concentration as he crunches his backhand.

Panthers should contend for title.

With this years very successful fall season Coach Jim Speight looks toward the spring with an eye of optimism. Speight feels the team should be in the running for the conference title right along with competitors Wingate and Elon.

With the top four pitchers, Anthony Morrison, Tom Gamble, David Barnes, and Ernie Donaldson, back with a combined 24 victories between

them. Speight feels that without any injuries, this could be one of his best pitching staffs ever.

In the field, catchers Brian Kemp and David Hooker, shortstop Chip Stroup, firstbaseman Barry Kellam and new outfielder Frank Shumate should give the Panthers strong defense as well as strong hitting. Hitter Chuck Williard is back for his second full season as a panther.

HPC Cheerleaders Roar For the Panthers

The HPC cheerleaders are sponsored by the college and are coached by Richard Hoffmann, who helps with their budget, practice sites and providing transportation to away games, but this group of individuals work on their own schemes and practice on their own time. In the full heat of the basketball season they sacrifice almost every Saturday night to lead cheers for the Panthers. Dennis Smith, a junior, said, "We take a lot of pride in our school and don't mind taking the time to do something for it. Everyone at this school ought to be more involved in extra-curricular activities and get some school spirit." Darryl Cook, a junior, said, "It's just fun going out and doing something good for the school instead of always criticizing it."

Intramurals Start off Strong

Once again the High Point Intramurals started out with a bang. The semester started off with the frisbee throwing greeks and Independents.

The High Point College Intramurals consist of Guys Ultimate Frisbee and Guys and Girls Soccer, Track, Volleyball, Basketball, and Softball. All of the Fraternities and Sororities compete as well as independents.

Bob Boyd hits a backhand in his tennis match.

Panthers in full swing.

Coach Woddy Gibson feels with five of the top six players returning on the golf team, this year could be very promising.

Key players this season will be John Harris, Scott Pollack, and transfer Ken Dennis.

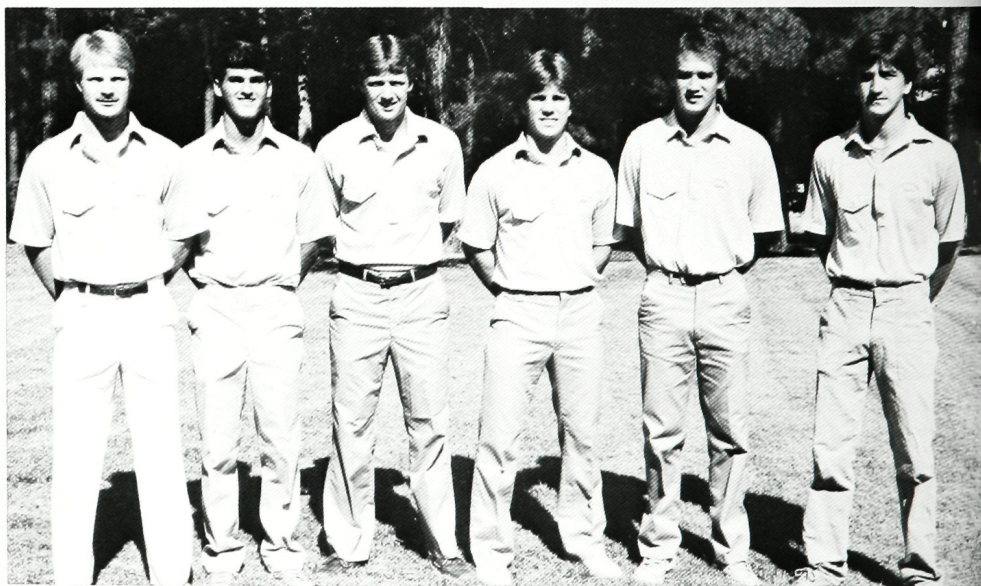

Last year's team won the St. Andrews Invitational Tournament and played well in other tournaments. Gibson hopes they can improve on their conference play.

Scott Pollack concentrates as he practices his swing.

Scott Pollack drives the ball down the fairway.

Bill Kimmel jumps over a high hurdle.

On your mark, set, go.

Coach Bob Davidson feels that this year's track team should have a successful year and may even better last years second place finish in the conference.

Key returners Darryl Cook, Wayne Jones, and Bill Kimmel, should

help lead the Panthers this spring. Also newcomers Chip Shea and Rodney Anderson should fill in well in the sprints and relays.

In the field events Jeff Insley, Chuck Taylor and Steve Maurer should do a good job.

Freshman Rodney Anderson and Chip Shea show their smooth running styles.

Panthers come out spiking.

First year coach Debra Trogden really did not know what to expect from this year's volleyball team. She knew they had talent but was not sure of their experience.

Key players have been hitters Cynthia Ismel, Ann Meyers,

and setters Kim Manness, and Anna Lopez.

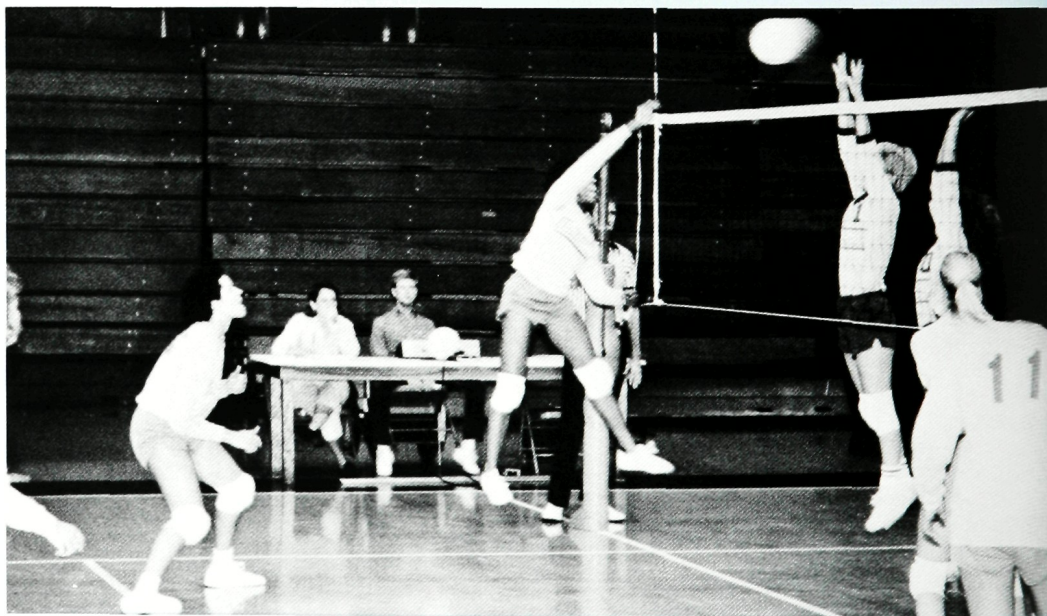

Trogden feels that freshmen Stephanie Mujat, and Penney Sellers should also receive playing time.

Trogden says it is going to take a team effort to be successful.

GREEK WEEK

Each year the Inter-Fraternity Council and Panhellenic Council work together to organize a Greek Week. Its purpose is to unite all greek organizations on campus and to bring them closer together. This year the week consisted of an ultimate

frisbee game between the fraternities, powder puff football between the sororities, and a chariot race. Along with the games the two councils also sponsored seminars on students' rights and one on what's going on at HPC (organizations).

ALPHA GAMMA DELTA

Alpha Gamma Delta started the 1985 year off with a bang by winning the PKA Spring Rally for the fourth consecutive year. The Alpha Gams won the spirit award by displaying enthusiasm with cheers, songs and red, yellow, and green balloons. We took great pride in celebrating our Thirtieth Anniversary with a weekend full of activities, the highlight being Roseball dance held at the Marriott. Alpha Gamma Delta had a canister drive and raised over \$1000 for our National Philanthropy, the Juvenile Diabetes Foundation.

The Alpha Gams returned in the fall with 21 fantastic pledges. Everyone is anticipating a very busy and fun-filled year. Many members of AGD are actively involved in intramural sports, Student Government, Student Union, the Zenith, Field Hockey, and college plays. Congratulations are in order for Jeanne Davis, 1985-86 Homecoming Queen. Jeanne was also nominated to 'Who's Who Among American College Students.' Congratulations to Kelli Green on her engagement!

UNIQUE BUT UNITED

Something of Value! The spirit of sisterhood flows with enthusiasm through our members, a close traditional sorority committed to maintaining our founding principles and ideals.

Gamma Gamma Chapter of Kappa Delta was founded at HPC in 1955. Since that time we have had a lengthy history of outstanding sisters in our membership who continue involvement with campus leadership roles in areas of Student Government, Orientation, Publications Hi-Po, and Zenith, Tower Players, Admission associates and athletics. Membership and selection for honors and scholastic superiority are also an important part of our tradition — brains, beauty, service, spirit, fun — We have it all!

Kappa Delta's legacy to the world is her permanent philanthropic work with children. Beginning with our first funding charity of the Children's Hospital in Richmond Va, the work has now spread to include the National Committee for prevention of Child Abuse, and our March 17, Nationwide Fundraisers. Our work isn't just dollars — it's people, true sisters sharing with those less fortunate.

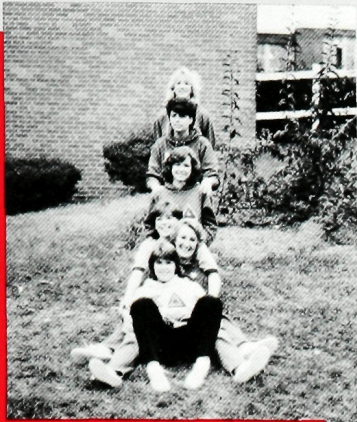

Social events are an important part of our sisterhood, dances, Greek Week activities, fundraisers, picnics, parties, exchange mixers, homecoming and just having fun with each other.

Friendship is feeling natural with another sister, shedding all pretense and just being yourself. Friendship is found in Kappa Delta.

SEEK THE NOBLEST

The Zeta Tau Alpha Fraternity was founded on October 15, 1898 at Longwood College, Farmville, Virginia. The chapter at HPC was founded on March 15, 1957. We will soon be celebrating our 30th anniversary here. Our colors are turquoise, blue and steel gray. Our flower is the white violet. Throughout the year we do several service projects such as collecting for UNICEF on Halloween,

visiting the Maryfield Nursing Home, and sponsoring a walk-a-thon for our national philanthropy, the Association for Retarded Citizens. This year we have had quite a few mixers off campus, see, there is a social side to us too! All in all, the year was a blast and we can only hope for many more good times to come. Myrtle Beach we're on our way!!

You can tell these Zetas aren't camera shy!

The Delta Zeta chapter was founded April 7, 1957. Since then, the chapter has kept up a long tradition of fine men and campus leaders with the addition of 10 brothers and 11 pledges in the past year.

This has been a year of innovations. A campus wide Dry Rush proved to be a great success. Delta Sigma Phi sponsored cookouts, concerts, and sporting

events highlighted an action packed two weeks. Hard work created a "new look" for our lounge. Special thanks to Alumni Brother, George England for his impressive mural.

On the other hand, tradition holds strong. Once again there were serendades and intramural successes. This year will hopefully top last year's three championships.

EVERY MAN A MAN

The Iota Phi chapter of Lambda Chi Alpha was founded at HPC on May 15, 1954. This year marks our 32nd anniversary here. We are presently ranked the third largest fraternity nationally in both the number of chapters and number of brothers since our founding in 1909.

This year has been a very successful one for Lambda Chi Alpha. During rush we associated 20 great men and are presently 50

strong. We sponsored the first 'Women of High Point College' calendar, a day at Country Roads each Friday, along with numerous parties, entertaining the children at Mills Home Orphanage, the annual Brother-Associate Member football game and White Rose Weekend, each member grew closer in friendship and the desire to help others.

Pi Kappa Alpha Fraternity was founded on March 1, 1968, at the University of Virginia "to establish friendship on a firmer and more lasting basis."

This year the Pikes had 59 members who were active in SGA, Student Union, IFC, sports and through out the college

community. This year they received a chapter excellence award for the third year in a row as well as holding key positions within the student body.

The Pikes have established themselves as campus leaders in social events and plan to carry on this tradition for years to come.

STRONG UNITY, TRUE BROTHERHOOD AND A COMMITMENT TO EXCELLENCE

On December 11, 1954, the Epsilon Alpha chapter of Theta Chi Fraternity was inducted at HPC. We are now celebrating our 31st anniversary here.

The 1985-86 rush was very successful for Theta Chi. We inducted 11 pledges in October. Theta Chi is on the move and growing while keeping our strong unity.

The little sisters program is also growing. We have a variety of ladies in our organization, ranging from independents to just about every sorority on campus.

Theta Chi is in Mourning! Our T.N.D.C. has been put to rest. Hopefully, the administration won't put ALL FUN to rest because we like to party!!

Alpha Delta Theta is a Christian service sorority. We do several service projects throughout the year for the College campus as well as the community of High Point. We sponsor concerts from the Presbyterian Home Band, help deliver student bits of food at Christmas, and we also assist in registering alumni for different events at the college. We are also looking forward to sponsoring a food and clothes drive for some areas of the community. For the sorority, we have a fall retreat, and two dances throughout the year. We try to offer a Christian atmosphere for young women on the campus. This year we ushered for Lessons and Carols, sponsored a sale of ghost-a-grams for UNICEF, participated in the Crop Walk, and reversed trick or treating on Halloween by giving out candy. They also participated in the Leadership Retreat Weekend.

Service is our main purpose, and we have a variety of service projects scheduled both on and off campus. Some past projects include setting up blood drives on campus with the Red Cross, running a pet therapy group for nursing home patients, and taking kids from Big Brothers/Big Sisters to the zoo.

Kappa Delta Pi is an Honor Society in Education. It is a National Organization whose purpose is to encourage excellence in scholarship, high personal standards, improvement in teacher preparation, distinction in achievement, and personal contributions to education. Our chapter is Kappa Mu and we were awarded this charter on May 27, 1985. To become a member of this honorary society, an individual must be invited by a local chapter and be approved for candidacy. This invitation is based on a student's high academic achievement, commitment to education, and a professional attitude. Members receive certain privileges which include being a member for life, active membership, and ability to attend Regional Conferences and Convocations. Members are expected to maintain the ideals of the Society, to strive to extend its influence, and to maintain regular attendance at meetings. The officers are Elizabeth Daisey as President and June Craft as Secretary.

Kim Maness is showing her high personal standards and distinction in achievement by making it onto the Homecoming Court.

June Craft exhibits her professional attitude required of a Kappa Delta Pi.

The Job Fair

Randy Foster and Michelle White discuss the job market with an interviewer.

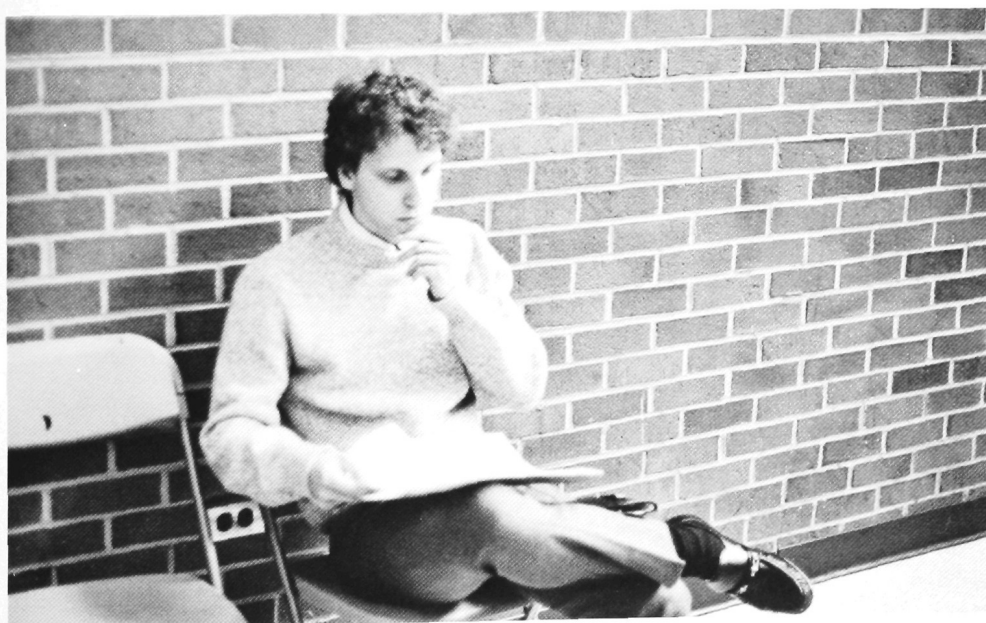

Ray Hotz, Ted Coryell, and John Higgins talk over the day's events.

The Career Development Center will sponsor the Career Alumni Day in February. They have alumni come to speak from all different fields ranging from accounting to communications. The Job Fair in the fall was also partly sponsored by the center in association with seven other schools. SIGI PLUS a new computerized career guidance system will be put into effect this spring as well. The system is for all students and administration use.

Career Development Center

The Career Development Center is directed by Joyce Wainer. The center helps students find the best major for each individual, identifying people's interests, skills and goals, and to help with information concerning the job market after graduation or information about graduate schools. The center can also assist you in finding a part-time job while in school.

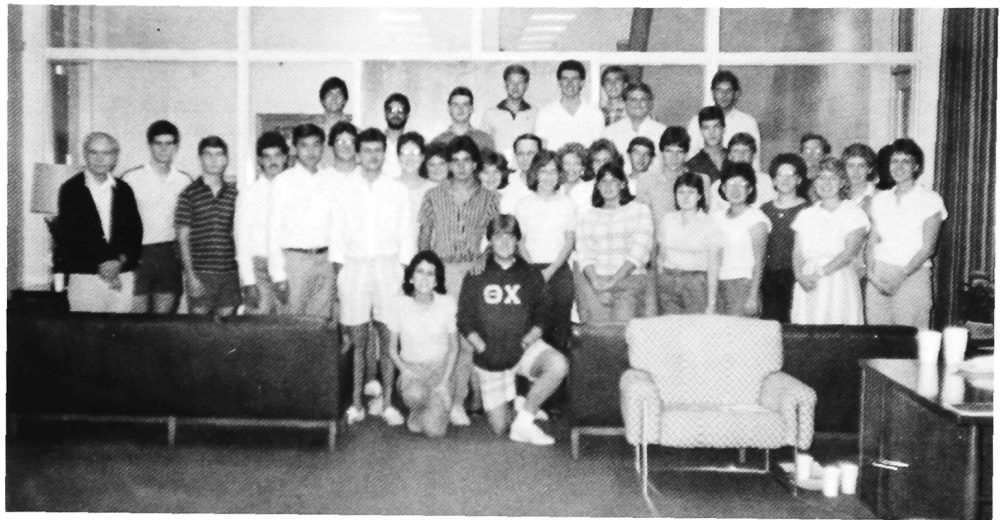

Jim Mitchell looks over his itinerary for the day.

Jeff Smith talks with interviewer about future plans.

Hi-Po Better Than Ever!

New ideas, new goals, hard work, and much planning have made this year's **Hi-Po** better than ever. New sections focusing on people, functions, and HPC's historical issues add an individual touch to the

broad views expressed inside its pages. Special areas given to sports, the greeks, announcements, and, last but not least, the news, make this campus paper something special to be proud of.

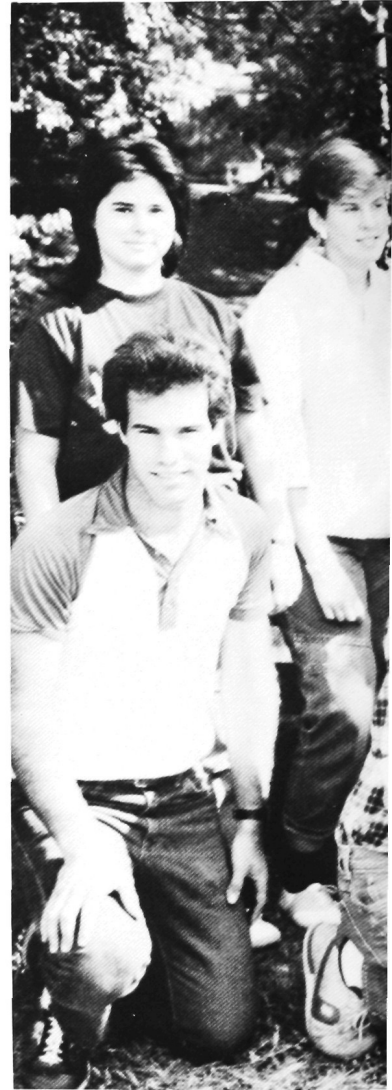

Editor — Deena McMurtry; Assistant Editor — Tony Baity; Advertising Manager — Lisa Mann; Sports Editor — J.T. Turner; Photo Editor — Craig Van Steenburg; Staff Writers — Jon Travis, Lora Songster, Joe Hutchens, Tim Winters, Anthony Billings, and Charles Hinman.

Jon Travis finds little time to smile during the few minutes before a deadline.

Above Center: Tony Baity maintains quality by inspecting all layouts before production.

Upper right: This year's Hi-Po staff discovers that late night layout sessions can be rather frustrating.

Back Row: Elizabeth Smith, Bonnie Hannah, Jennifer Palmer, Sandi Potterfield, Jennifer Austin, Editor Melissa Mize, and Lori Morton. Front Row: Michael Bridger, Ken Zeller, and Jon Travis.

This year's Zenith staff could be found at any time with camera in hand capturing life as it happened on High Point College Campus. Melissa Mize, Editor-in-Chief, set high goals for the staff early in the year. Before a deadline, late nights completing layouts and last minute photo sessions became ritual. Advisor, Dr. Chilcoat, could be found giving input and inspiration, while Melissa handed out weekly assignments, during the Tuesday meetings.

Presidential Scholars

Presidential Scholarships are awarded to selected incoming freshmen. The basis by which these students have been selected is dependant on their high school activities and personal interviews that are conducted by faculty and present scholars. The scholarships, valued from four thousand to six thousand dollars over a four year period are based on academics, leadership, and citizenship. The chosen scholars must maintain a 3.0 grade point average and serve on selected committees. These committees run the annual Presidential Scholarships weekend to which certain high school students from around the country are invited to visit High Point College.

Wesley Fellowship

Fall of 1985 saw Wesley Fellowship rejuvenated with a doubling in membership over the previous year. Among the activities Wesley Fellowship has held was a trip to Carowinds, a retreat, a swim day at City Lake Park as well as a ski trip.

As a volunteer outreach project, many members of Wesley Fellowship go

twice-a-month to the Father's Table, a soup kitchen for street people, and serve meals.

Dave Matzko, our Divinity School student intern from Duke University, leads the group in Vesper Services on Monday nights and in discussions. Wesley Fellowship seeks to provide spiritual enrichment and

growth through social interaction in an ecumenical environment.

Wesley is a chartered member of The Student Government Association and is a part of the religious life program of High Point College under the Chaplain's direction.

Continuing Education at

High Point college also offers a program for those students who work during the day and can only attend classes at night. It is known as the Continuing Adult Education Program (CAEP). The R.J. Reynolds and Piedmont Area Evening Degree Association organizations work closely with CAEP to offer a variety of classes. These students may choose from five majors. They are Business Administration, and Economics, Psychology, Managerial Psychology, Media communications and are the same for day students; and (4) all courses are offered at convenient times and areas. CAEP students range in age from 21-60 and come from all walks of life. We can certainly be proud of these students' efforts to continue their education and, in the process, for bettering High Point College.

This was the year of the "New Coke." The original Coke-Cola was taken off the market but soon returned due to the large demand for "Classic Coke." Students now have another choice when it comes to their favorite beverage. Pepsi took advantage of the Coke mistake and advertised their brand as the "Real Thing."

Students at High Point College carry out their extra-curriculars and academics well.

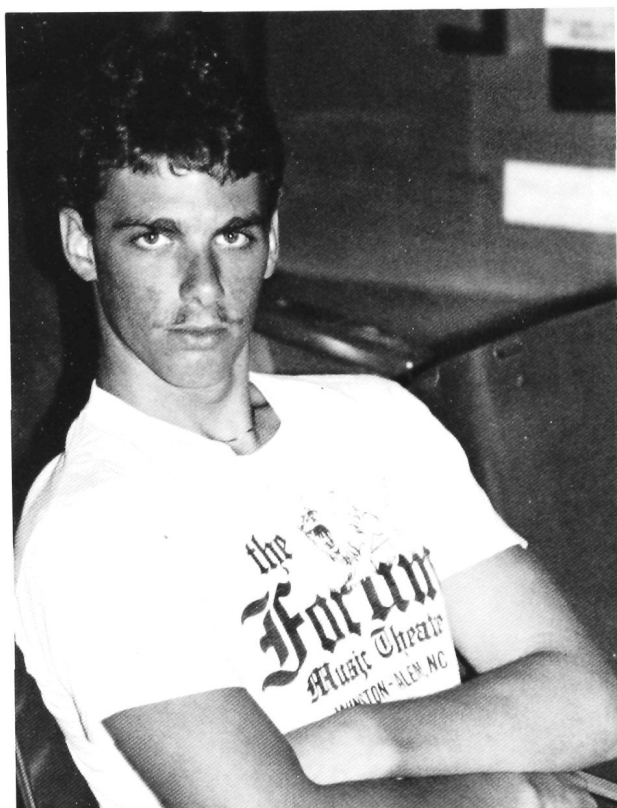

"The first to touch the
rosy beams of morning
... the last to bid the
sun goodnight."
— John Muir

We all can
participate in High
Point College — it
isn't static — it is an
ongoing process.

We worry as though we had a thousand years to live. Let us rather strive after the gentle humor of the heart, which knows how to smile at the world.
